

Where will your safer neighbour team will be in December?

Please find a list of all the events your safer neighbourhood team will be holding/attending in December. Most of them are Be Bright, Be Seen events and apart from one or two more planned for January these will be our last ones that we will be doing until next winter.

We have tried to get out to all the villages on our area or as close to them as possible in order to make it easier for people to attend. If you do need any high visibility items for when you are out and about in the dark then please attend one of our events and get some FREE goodies from us.
